

Newlook Capital

DENTAL SERVICES TRUST

NEWLOOK DENTAL SERVICES TRUST: EQUITY

INDUSTRY OVERVIEW^{1,2,3}

The Canadian dental industry comprises clinics of licensed dentists primarily operating in either private, or group practice, offering general, specialized dentistry, or dental surgery services. The industry represents ~\$20.3 billion in revenue and grew at a CAGR of 3.4% from 2020 – 2025.

With over 16,000 clinics across Canada, the industry is highly fragmented, with Dental Service Organizations (“DSOs”) representing ~11% of the total market. Dentalook Inc. (“Dentalook”) is raising common equity to fuel growth and create a unique equity participation offering.

Anticipated Net IRR	15-20% ⁴
Target Distribution	6-7%
Anticipated Net MOIC	2.0-2.4x
Profit Participation (LP)	75-80% ⁵
Tax Treatment	Return of Capital ⁶
Liquidity	Quarterly ⁷

NEWLOOK DENTAL SERVICES TRUST: DEBENTURE

EXECUTIVE SUMMARY^{1,2}

Newlook sees a strategic opportunity in consolidating and operating a portfolio of well-managed dental clinics across Canada. The dental industry is uniquely positioned within the healthcare sector, characterized by stable, recurring revenues and low overall volatility. While demand for elective procedures may fluctuate with economic conditions, essential dental care remains a consistent necessity, supporting reliable cash flows through all market cycles.

Dentalook is the primary operating entity of the Dental fund. Operating in Ontario, Saskatchewan and Alberta, Dentalook prides itself on providing patients with a better overall dental experience.

Inception Date	November 2018
Target Distribution	9%
Minimum Investment	\$10,000
Eligibility	Registered Accounts
Tax Treatment	Interest Income

Why Invest^{3,8,11,12,13}

- Portfolio diversification utilizing the private dental sector
- Low level of revenue volatility
- Approximately 9% of the Canadian dental industry is corporately owned, versus 25-40% corporate ownership in the US and UK
- Newlook views dental clinics as higher net margins compared to other healthcare services
- The Dental Fund has paid all distributions in full since inception

Risks

For a complete list of risks associated with this investment, including, but not limited to, investment risks, general economic risks, disease outbreak risks, business risks and industry risks, please refer to Item 10 – Risk Factors of the Offering Memorandum.

Redemption Limitations

Please note that there is no guarantee that the redemption price will be the same as the purchase price. The limit for Class D Trust Units is a quarterly threshold of \$50,000. The limit for Class E Trust Units is a quarterly threshold of 0.5% of the total number of Class E Trust Units and Limited Partnership Units ("LP Units") issued and outstanding at the beginning of the calendar quarter and LP Units (excluding for greater certainty, LP Units held by the Trust). Once the threshold is reached, redeeming unitholders may receive from the Trust (in lieu of cash), redemption notes of the Trust ("Redemption Notes"). Please refer to Item 2.7.1 - Declaration of Trust - Redemption of Trust Units in the Offering Memorandum for additional details.
